

Hello from Claremont School!

Welcome to the Claremont School web page. Please accept our invitation to visit with us and celebrate our first days as a school of third and fourth graders. While our students, teachers and staff are beginning their summer vacations, we are embarking on a journey that will bring us to a place we will define in the coming months. The desks, chairs, books, computers, classrooms, offices, gymnasium, cafeteria and playground will all be in place awaiting our arrival; but it will be our experiences, traditions, laughs, triumphs, challenges, efforts, cooperation and stories that will shape the culture of our building.

I'm looking forward to greeting all our parents and students to our new building, and on behalf of our assistant principal, Ms. Fran Jacobson, and our teachers and staff, wish you all a wonderful summer full of great experiences that will generate memories our students will look forward to sharing in September.

Be assured that we will be ready to greet you prepared to commence a new school year that will be rewarding and challenging, fun and exciting and full of the essence of our wonderfully diverse Ossining community. Look here for information about events in our school and the experiences of our students, as they grow and flourish in an environment of teaching and learning that has taken another step forward in a great place called the Ossining Union Free School District.

See you soon!

Felix J. Flores  
Principal, Claremont School
